

# Christmas at my House!

By Nicolette!:) 

# When we all wake up on christmas!

When we all wake up, we brush our teeth and do that stuff. We usually wait for my Nanny to get ready too. And then my mom has to take a video and she tells us to say Merry Christmas and then we all run down stairs!

# After we open presents!

After we open presents, we eat breakfast and  
we have pancakes and bacon and sausage!  
And it is very yummy!

# Now we get ready for the big party

Now we all get ready for the big Christmas party! And our whole family comes to my house. And I show my cousins some of my presents and we play!

# Now we have Christmas dinner!

We have so much food for our dinner and especially a lot because my dad is an Italian cook! We have steak and potatoes and green beans and it's all good!

# The End
